

## **ICELAB HIGH PERFORMANCE PROGRAM**

Icelab top team of skaters and coaches, normally based in Bergamo with the "ISU Center of excellence" is moving to BORMIO, Valtellina for a summer training in the beautiful Italian mountains from August 1st to August 13th 2022

Daily program features two technical sessions on ice with international coaches, one skating skills session and one off ice special conditioning program from Monday to Friday. Saturday will be a half day training

The camp is suitable for all levels of single skaters and pairs from beginners through advanced competitive levels. All on-ice classes will be taught by our professional certified staff and will be divided by skill level
